**OUR CHURCH DIRECTORY IS AVAILABLE ON YOUR MOBILE DEVICE!**

Instant Church Directory - the program we use to build our church directory - has a free secure app for church members to download on their Apple, Android, and Kindle Fire devices. Go to your app store and search for Instant Church Directory. It is a green app with a white church. You will be asked to enter in your email address as it's listed in our directory. If your email address isn't listed in the directory, let Jennifer Holtsclaw know so it can be added. Once you enter your email address, you will receive a password via email. You will receive one password per device. For example, you will need to register both your iPhone and your iPad. Entering the password starts the download of the directory to your device, and once it has completed you will be able to search for families and members and call, email, and text right from the app. If you have any questions please contact Jennifer Holtsclaw.

**OUR CHURCH DIRECTORY IS AVAILABLE ON YOUR MOBILE DEVICE!**

3. Open app, enter email address, and wait for a password in your email.
